

MEMORANDUM

TO: Honorable Mayor and City Council Members
FROM: Christine C. Davis, Finance Director *CC Davis*
DATE: March 25, 2008
RE: Non-Exclusive Commercial Garbage Franchise

PURPOSE

The purpose of this item is to obtain Council approval of Ordinance No. 347, thereby granting a one (1) year Non-Exclusive Commercial Trash, Garbage, Recyclable Materials and other Refuse Franchise.

BACKGROUND

In accordance with Section 6-27 of the Code of Ordinances of the City of Orange City, the following company has requested a Non-Exclusive Trash, Garbage, Recyclable Materials and other Refuse Franchise to be awarded by the attached ordinance.

Orlando Waste Paper Co.

2715 Staten Road

P.O. Box 547874

Orlando, FL 32854-7874

Recently, Code Enforcement advised Finance that Orlando Waste dumpsters were located within Orange City and accordingly staff contacted them advising that in order to legally do business within Orange City they must agree to our franchise agreement and subsequently they agreed. This will be the first one-year franchise granted to the aforementioned hauler. The franchise as presented will take effect after the second ordinance hearing and will be effective through December 31, 2008. Orlando Waste Paper Co, Inc. is a multi-material recycling company. As a recycler within the State of Florida, no franchise fees are to be collected for revenues generated via recycling operations. This franchise agreement will allow for regulating Orlando Waste in the same manner as other haulers; however, no revenue is anticipated, as long as they continue to function for recycling purposes only. If Orlando Waste begins activities other than recycling, this agreement covers the rules, regulations and franchise fee requirement.

RECOMMENDATION

Staff recommends the City Council approve Ordinance No. 347.
