Subject: Revision to the City's Personnel Polices and Procedures Manual.

BACKGROUND: The financial difficulties arising from the current economic and budget challenges resulted in numerous budget changes for Fiscal Year 2010-11. At previous meetings, it was discussed that Council would need to take action at a future date to address the City's Personnel Policies and Procedures Manual. Under the current policies some items are referenced that could require funding, even when funding constraints exist. The current budget does not provide funding for a merit, cost-of-living or payment of the sick bonus. To clarify the City's right to fund or defund any employee entitlements and or benefits within the Personnel Policies and Procedures Manual, it is necessary to revise Section 01-01, Human Resources Policies and Procedures. This section has been revised by adding Section 1.1.1, which states that, all employee entitlements and/or benefits contained within the Policies and Procedures Manual are subject to funding within the annual budget.

RECOMMENDATIONS: Staff recommends Council approve Ordinance No. 432 at the first reading, thereby revising Section 01-01, HUMAN RESOURCES POLICES AND PROCEDURES, Update, Communication and Maintenance.
