1. Requirement of State Statute

171.042 Prerequisites to annexation.--

(1) Prior to commencing the annexation procedures under s. 171.0413, the governing body of the municipality shall prepare a report setting forth the plans to provide urban services to any area to be annexed, and the report shall include the following:

(a) A map or maps of the municipality and adjacent territory showing the present and proposed municipal boundaries, the present major trunk water mains and sewer interceptors and outfalls, the proposed extensions of such mains and outfalls, as required in paragraph (c), and the general land use pattern in the area to be annexed.

Report Analysis

See the attached maps:

Map A - Present Municipal Boundaries

Map B - Proposed Municipal Boundaries

General Land Use Pattern

The 11.5 acre Breezewood Village Condominium property proposed to be annexed consists of 112 multi-family residential condominium dwelling units, with an average size of 1,150 square feet per residential unit.

2. Requirement of State Statute

171.042 Prerequisites to annexation.--

(1) Prior to commencing the annexation procedures under s. 171.0413, the governing body of the municipality shall prepare a report setting forth the plans to provide urban services to any area to be annexed, and the report shall include the following:

(b) A statement certifying that the area to be annexed meets the criteria in s. 171.043

Report Analysis

Statement per FS 171.043

The Breezewood Village Condominium area to be annexed meets the criteria listed in Florida Statutes 171.043, as follows.

The southern boundary of the 11.5 acres to be annexed is immediately contiguous to the City's jurisdiction and is reasonably compact, and no part of the area to be annexed is located within the boundary of another incorporated municipality. The Breezewood Village area proposed to be annexed is already 100 percent developed for urban purposes. Further, the current Breezewood Village population consists of 131 people (via a headcount), resulting in 1.17 persons per household, and 11.4 persons per acre. This exceeds and meets the minimum 2.0 persons per acre requirement.

3. Requirement of State Statute

171.042 Prerequisites to annexation.--

(1) Prior to commencing the annexation procedures under s. 171.0413, the governing body of the municipality shall prepare a report setting forth the plans to provide urban services to any area to be annexed, and the report shall include the following:

(c) A statement setting forth the plans of the municipality for extending to the area to be annexed each major municipal service performed within the municipality at the time of annexation. Specifically, such plans shall:

1. Provide for extending urban services except as otherwise provided herein to the area to be annexed on the date of annexation on substantially the same basis and in the same manner as such services are provided within the rest of the municipality prior to annexation.

Report Analysis

Police Service

The Orange City Police Department will provide police services within the Breezewood Village area following annexation.

Fire Service

The Orange City Fire Department will provide fire services within the Breezewood Village area following annexation.

Emergency Medical Service

As per the interlocal Closest Unit Response agreement with Volusia County, the City currently provides the EMS services within the Breezewood Village area.

Following the annexation of Breezewood Village, the above urban services will be provided to the area in substantially the same basis and in the same manner as such services are currently provided within the other portions of Orange City.

4. Requirement of State Statute

171.042 Prerequisites to annexation.--

(c) A statement setting forth the plans of the municipality for extending to the area to be annexed each major municipal service performed within the municipality at the time of annexation. Specifically, such plans shall:

2. Provide for the extension of existing municipal water and sewer services into the area to be annexed so that, when such services are provided, property owners in the area to be annexed will be able to secure public water and sewer service according to the policies in effect in such municipality for extending water and sewer lines to individual lots or subdivisions.

Report Analysis

Water and Wastewater

The Breezewood Village area is 100 percent developed and serviced by Volusia County Utilities as per an existing interlocal utility service area agreement with Volusia County. The water and wastewater mains are owned by Volusia County Utilities. There will be no extension of water or wastewater mains into the area by the City because the water or wastewater mains currently serving Breezewood Village are pre-existing and will not be affected by the annexation. Therefore no water or sewer mains will be affected or extended following annexation.

5. Requirement of State Statute

171.042 Prerequisites to annexation.--

(c) A statement setting forth the plans of the municipality for extending to the area to be annexed each major municipal service performed within the municipality at the time of annexation. Specifically, such plans shall:

3. If extension of major trunk water mains and sewer mains into the area to be annexed is necessary, set forth a proposed timetable for construction of such mains as soon as possible following the effective date of annexation.

Report Analysis

Water and Wastewater

The Breezewood Village area is 100 percent developed and serviced by Volusia County Utilities as per an existing interlocal utility service area agreement with Volusia County. The water and wastewater mains are owned by Volusia County Utilities. There will be no extension of water or wastewater mains into the area by the City because the water or wastewater mains currently serving Breezewood Village are pre-existing and will not be affected by the annexation. Therefore a timetable is not needed for the construction of water or sewer mains following annexation.

6. Requirement of State Statute

171.042 Prerequisites to annexation.--

(c) A statement setting forth the plans of the municipality for extending to the area to be annexed each major municipal service performed within the municipality at the time of annexation. Specifically, such plans shall:

4. Set forth the method under which the municipality plans to finance extension of services into the area to be annexed.

Report Analysis

Water and Wastewater

The Breezewood Village area is 100 percent developed and serviced by Volusia County Utilities as per an existing interlocal utility service area agreement with Volusia County. The water and wastewater mains are owned by Volusia County Utilities. There will be no extension of water or wastewater mains into the area by the City because the water or wastewater mains currently serving Breezewood Village are pre-existing and will not be affected by the annexation. Therefore there will be no fiscal impact to the City following annexation.

Solid Waste

The Breezewood Village Condominium Association has contracted with a privately owned vendor which collects the solid waste on a weekly basis, including recycled materials. Therefore there will be no fiscal impact to the City following annexation.

Police

The Orange City Police Department will provide police service within this area following annexation. Following a review of the statistical call data for the Breezewood Village condominiums, the Police Department feels the annexation of this area will have a minimal impact on the Orange City Police Department, and that any impact will be absorbed into the City's current fiscal resources.

Fire

The Orange City Fire Department will provide fire service within this area following annexation. Following a review of the statistical call data for the Breezewood Village condominiums, the Fire Department feels the annexation of this area will have a minimal impact on the Orange City Fire Department, and that any impact will be absorbed into the City's current fiscal resources.

Emergency Medical Service

As per the interlocal Closest Unit Response agreement with Volusia County, the City currently services this area for EMS. Therefore there will be no fiscal impact to the City following annexation.

7. Requirement of State Statute

171.042 Prerequisites to annexation.--

(2) Not fewer than 15 days prior to commencing the annexation procedures under s. 171.0413, the governing body of the municipality shall file a copy of the report required by this section with the board of county commissioners of the county wherein the municipality is located. Failure to timely file the report as required in this subsection may be the basis for a cause of action invalidating the annexation.

Annexation Report

This annexation report will be considered for approval by the City Council of Orange City on October 13, 2009, after which, this report will be submitted to Volusia County within five calendar days.

8. Requirement of State Statute

171.042 Prerequisites to annexation.--

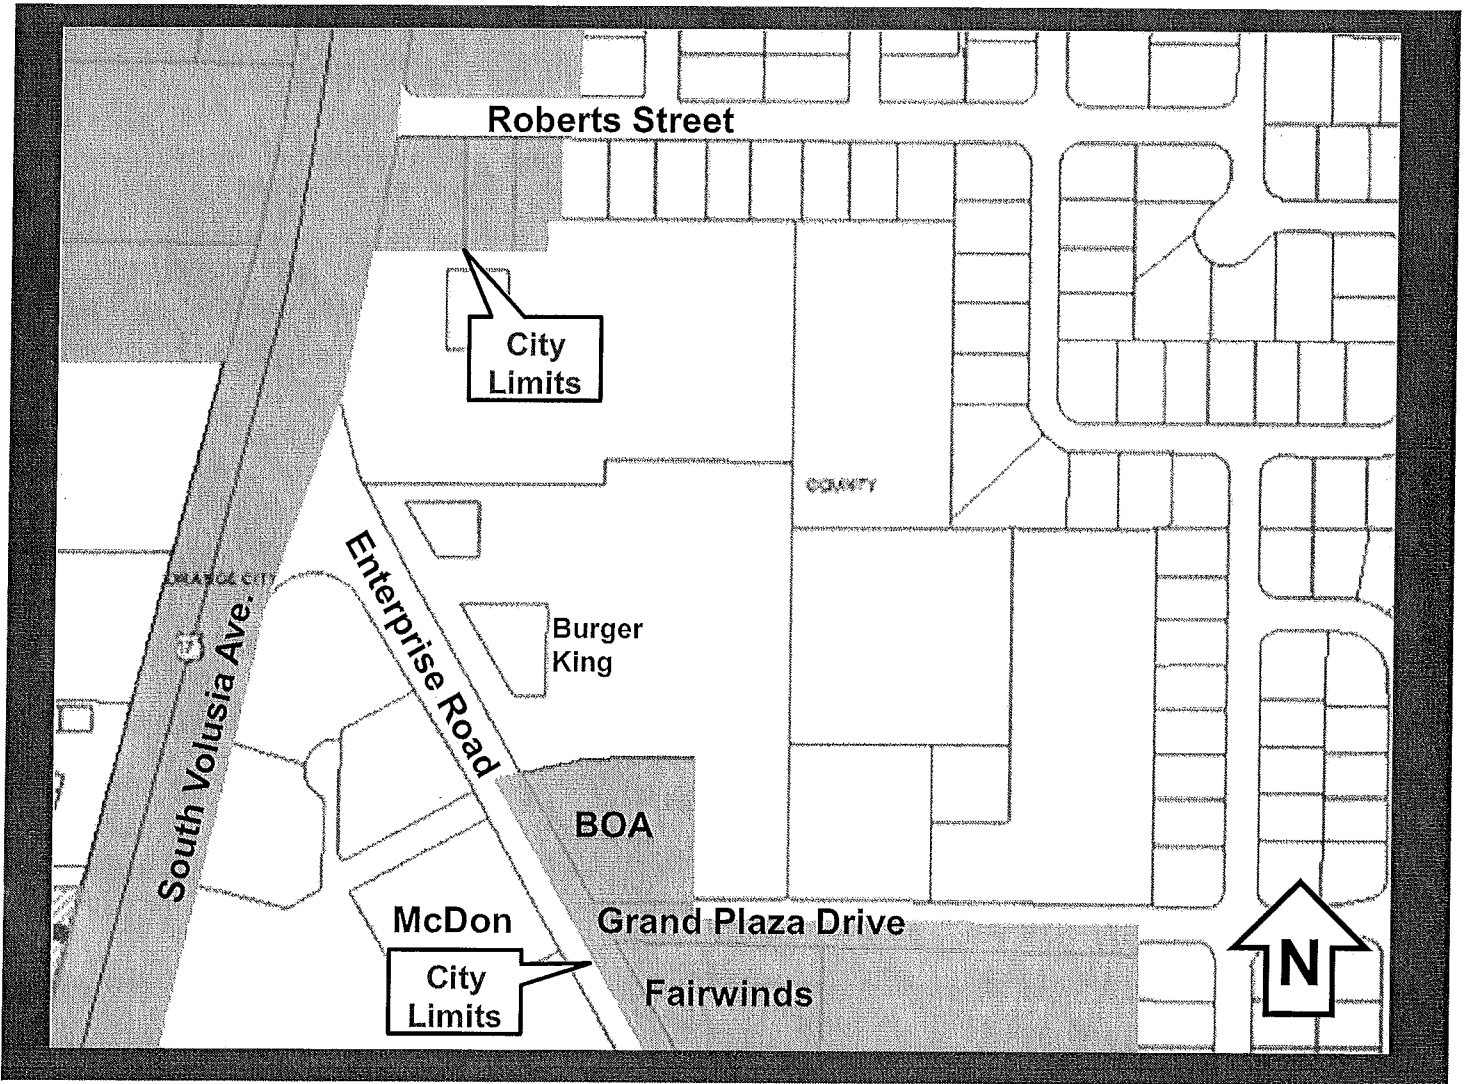

(3) The governing body of the municipality shall, not less than 10 days prior to the date set for the first public hearing required by s. 171.0413(1), mail a written notice to each person who resides or owns property within the area proposed to be annexed. The notice must describe the annexation proposal, the time and place for each public hearing to be held regarding the annexation, and the place or places within the municipality where the proposed ordinance may be inspected by the public. A copy of the notice must be kept available for public inspection during the regular business hours of the office of the clerk of the governing body.

Written Annexation Notification

On or before October 30, 2009, the City will mail notices to the persons who reside or own property within Breezewood Village. The notice will meet the requirements of FS 171.042(3) and will provide notification of the two public hearings to be held on November 10, 2009 and December 8, 2009.
