

Curb Appeal Program

Orange City's Curb Appeal Program acknowledges attractive, well maintained landscapes and the benefits they provide to our community. It is the goal of the Curb Appeal Program to identify and formally reward those property owners that demonstrate community pride and maintain their property as a beacon of higher standards that other property owners may aspire.

Winners are selected for both residential and commercial properties on a quarterly basis. The first program winners were selected in the 2nd quarter, 2012.

Curb Appeal Winner
