

Orange City CRA

Welcome to the Orange City redevelopment page. This is an exciting time for the City as we lay the groundwork for the redevelopment and revitalization of Volusia Avenue and the surrounding neighborhoods.

What is a CRA?

CRA stands for Community Redevelopment Agency. It is a public entity created by a city or county to implement community redevelopment activities. Orange City's CRA Board consists of the members of the City Council. The CRA is charged with undertaking redevelopment functions in the district. It is a decision making body. City staff works with the CRA Board to carry out the CRA plan and manages the tax increment fund.

The Board meets on an as needed basis, generally before Orange City Council meetings.
